Wednesday 23rd October

Dear parents/carers,

We are pleased to let you know that we have provisionally booked Robinwood from **Wednesday 17th September 2025** for two nights, returning to school on **Friday 19th September**.

Over the course of the **three days**, children typically take part in around 15 different activities including **archery, canoeing** and **climbing** to name just a few. The children are provided with **delicious meals** and are always very well fed throughout the duration of the stay. The Robinwood centre has a superb safety record and invest a lot of money to ensure that they have a large and experienced staff team. We have gone across to Robinwood several times and have always been **impressed**.

We shared lots of **photographs** from the recent trip on our **Facebook** page which will hopefully give you an idea of what to expect. In order for us to go ahead with the trip, we need to know that we know that we have **sufficient interest** from our current Year Five class.

As always, we will heavily **subsidise** the cost of the visit to make it more **affordable** for you. The **cost to you** will be around **£160** per child. The overall cost is around £350 per child but school will fund the remaining balance. We will also provide a payment system to allow parents/carers to spread the cost over several months. If you have any concerns around the affordability of the visit, please do not hesitate to contact the school office and we will endeavour to help you even further if we can.

We have found that by going at the **start of the school year**, the Year Six staff team will have the chance to really get to know the children and build up a strong relationship with them.

As you know, we have very **high expectations** of children and need to be confident that they will be able to behave **safely** and **appropriately** when they are offsite. If we have any doubts about conduct in the build up to or during the visit, we reserve the right to reconsider your child's place. As always, there will be **four members of school staff** accompanying the children on the visit.

Further information for the visit, including an **itinerary** and **equipment list**, will be shared in due course. We will also have a **parent information** session in the Summer Term so you know what to expect and to provide you with an opportunity to ask any questions.

Before we can confirm the visit, could you please complete the form below and return to school.

Many thanks,

Mr Routledge
