Newsletter - Friday 19th May 2023

Happy Friday!

Hello everyone, I hope you've all had a nice week. I am leaving the **newsletter** quite late this week as it has been so busy in school. I am delighted that it has been such a sunny afternoon as our **Year 2** and **Year 6** children have enjoyed an **ice cream** on the yard. The ice cream van was supposed to be a special treat for **Year 6** after their **SATs**. As it turned out, **Year 2** also got one because the ice creams they were supposed to have on their beach trip have rocketed in price so they got one today instead. **Year 2** children have worked hard on their own assessments this week and have done themselves proud with their **positivity** and **attitude**. This half term (with all of the bonus four day weeks!) has flown by and the children are looking forward to the half term break. School will close on **Friday 26th May** and reopen on **Monday 5th June**.

PE Kit

Advanced warning that from **September**, we will be tightening up on our acceptable **PE kit**. PE kit will be:

Royal Blue School Hoodie or Jumper

Plain White Polo or T-Shirt

Plain **Black** or **Navy** jogging bottoms, leggings or shorts

Please note, these all need to be **plain** and **logoless**.

We appreciate that some of you may be feeling the strain financially so we have deliberately given you plenty of notice to source **uniform** and **PE kit** for **September**. Reasonably priced clothing can be found online at Asda.

For example:

-Two 'cobalt blue' sweatshirts - £5 (or five for £12.50)

-Two Plain white polo shirts - £2.50

-Two pack of navy jogging bottoms - £8

Donations of old **school uniform** or **PE kit** would be gratefully appreciated. If you have any, please feel free to drop them in at the **school office**.

Out of School Club

The number of children attending **Fun Club** this week has continued to increase. On **Monday** we had **12 children** in and today we're expecting 10. As the **summer weather** rolls in, the children will spend more **time outside** so keep an eye out on **the Fun Club's Facebook** page to see what the children get up to.

Oseuke's class. Naturally, I was very polite in our victory and didn't rub it in too much! Children in Year 4 are outperforming other Year 4 classes locally and nationally with their preparation for the Multiplication Tables Check in June. More and more children are scoring 25/25 in their weekly checks but, more importantly, every single pupil has made significant progress since September! Very well done to you all :)

Attendance

Well done to our **Year Two children** who recorded **98% attendance** for the week commencing **Monday 15th May**. They were the only class to record an attendance of more than **96%** which is our whole school target. It is vital that you support us in promoting good attendance to ensure that children make the progress they are capable of.
