Monday 6th November

Dear Parents/Carers,

As you will know, children in **Year Six** across the country take part in **statutory assessments** in **English** and **Maths** in **May** each year. The content of these assessments is based on all of the **Key Stage Two** curriculum. Staff in Year Six work hard to ensure that children are **well-prepared** for these assessments by working on **practise papers** each term but also by looking at **SATs style questions** regularly. We also endeavour to strike a **balance** between recognising the **importance** of **doing our best** but without putting pressure on the children. We have invested in a series of **apps** including **TTRS**, **Emile** and **Lexia** as well as **SATs style workbooks** to ensure that homework is well-structured and purposeful.

To ensure that all of our children do their best, we will be hosting a **Key Stage Two SATs Workshop** for **parents** and **carers**. Your help at home is hugely important. This session is designed to provide you with the opportunity to **see what the assessments look like** and how you can **help at home**. Miss Dobson and Mrs Cragg will deliver the session in school. Please place a tick next to the session that you wish to attend and return the form to school. Please note, you only need to select one of the sessions as we will deliver the same content twice. We appreciate your ongoing support.

Many thanks,

Mr Routledge
