

Happy Friday

One more week to go! Yet again, it has been an **incredibly busy week** (I appreciate that I say this most weeks). Teachers have been busy over the last few weeks writing **end of year reports** which will be sent home in the middle of next week. I will spend much of the weekend reading through them which is, genuinely, a pleasure. It is great to see how everyone is **progressing** and **growing in confidence**. I am sure you'll all be looking forward to the **England match** on Sunday. Fingers crossed we can end the **58 year drought** for a major trophy! The children thoroughly enjoyed '**Football Friday**' and it was great to see a sea of **white** and **red** (though in fairness, it was mainly **Newcastle** shirts!). Despite several requests, I can't endorse a day off on Monday though I will accept a few **slightly tired children** if you allow them to watch the match! Have a splendid weekend - Mr Routledge

SATs

This week our **Year Six children** received their **SATs** results. As you know, **Key Stage Two SATs** are a statutory assessment which **Year Six** children across the country complete in **May** each year. Our **children** and **staff** have all worked **exceptionally hard** this year to get the best outcomes they possibly could. Although not all children achieved the 'expected standard' in these assessments, I know, without exception, that everyone has made **brilliant progress** and I am proud of them all. Our children are so much more than the results of papers delivered during one week in May. I'd like to thank **Miss Dobson**, **Mrs Cragg**, **Mrs Mort** and **Mrs Wilson** for their incredible **hard work**, **pastoral care** and **commitment** this year. We're lucky to have them.

End of Term

Just as we have done in previous years, parents and carers are welcome to pick their children up at **1:30pm next Friday** as it is the last day of the school year. For those of you who are unable to pick up, children can, of course, stay until **3:15pm** as normal. **Out of School Club** will be open but only until **4:15pm**. Please note, pick up time is either **1:30pm** or **3:15pm**. The last day of term will be a **non uniform** day.

Governors

This week we had our **Full Governing Body** meeting. Our new Parent Governor, **Jade Davis**, joined us for the first time. Many of you will already know Jade who is a **familiar face** in the community. She will bring a huge amount of **childcare experience** to the team and I am **delighted** to have her join the team. The role of a **school governor** is a voluntary one and governors dedicate a huge amount of their free time attending meetings, reading reports, conducting visits and more. I'd like to take the time to thank our **Governing Body** for their **hard work**, **commitment** and **support** this year. They all have a strong desire to **improve our school** in so many different ways and I am grateful to them for this work.

Summer Fayre

Our **Summer Fayre** took place on **Wednesday** despite the weather! I was blown away by the number of people who attended. It was brilliant to see so many of you come along and **contribute** to the **fayre**. As always, all money that was raised will go towards **school improvement** initiatives. Thanks also to everyone who contributed **prizes** for the **raffle** which will be drawn next week. I am grateful to all staff for doing their bit to allow the fayre

Beaconhill Community Primary School

Newsletter - Friday 12th July 2024

to run as successfully as it did. A special mention to **Miss Wilkinson** who **planned** and **organised** it all. So far, we have raised just shy of **£1100**. Once we have all the money in from raffle ticket sales, we will give you the final figure. It was quite the clean up operation but **Mr Luke Green** got everything spic and span for Thursday morning!

Sports Day

A reminder that (weather permitting) **Sports Day(s)** will be taking place next week.

Years Four, Five and Six: Monday 15th July from 2pm - 3pm

Reception, Year One, Year Two and Three: Tuesday 16th July 2pm - 3pm

Mr Shepherd has been very busy this week getting everything prepared so it should be a **brilliant couple of days**.

Fish and Chips

Today we had beautifully boxed **fish and chips** for lunch. **Miss Luke** and **Mrs Walton** did a wonderful job and the feedback was fantastic. One **major bonus** of doing it at school was that we weren't under constant bombardment from **seagulls!**

RNLI

On **Wednesday**, we welcomed **Robin Palmer** from the **RNLI** into school. Robin worked with **children** from **Reception** to **Year Six**. Robin talked about the **boats** they use, how they **rescue** people and he showed us the clothes he wears to keep him **warm, dry** and **safe**. The children sat and listened so well and asked **Robin** some brilliant questions. Thanks to **Mrs Wharton** and **Mrs Stoddart** for organising the event.

Attendance

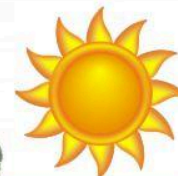

Well done to **Year Five** for recording the **highest overall attendance** this week. We're now very close to the **end of the school year** and it would be great to end the year on a high and see if we can get more classes on **96%+**. Attendance overall has gone up for the last two years and I am hoping for a similar story in 2024/25. A big thank you to **Mrs Thompson** in her role as **Attendance Officer**. Every **extra day** spent in school can make a huge difference to **progress** and **attainment**.

Reception - 93.33% **Year One** - 93.21% **Year Two** - 94.14% **Year Three** 95.81% **Year Four** - 91.33% **Year Five** - 98.93% **Year Six** - 93.23%

On the Menu Next Week . . .
