

Happy Friday!

This week we enjoyed reading **Lost and Found** in assembly. We were very happy when the boy and the penguin found each other again at the end of the story. Our **Nursery** children have been to the beach this week. They have been very busy **building volcanoes** with the large spades and they went on a **phonics hunt**, looking for items that started with 's'. It has been another busy week. Don't forget it is **Sports day** next week and I hope you all have a lovely weekend. Mrs.Robinson

Sports Day- June 17th

9:15 am Years Three, Four, Five and Six.
2pm Reception, Year One and Year Two.

Newcastle United

Year 6 went on a visit to **Newcastle United** this week as an end of year treat for all their hard work. The children enjoyed a **tour of the ground** and were keen to tell us all about it when they returned to school.

Class Photos

Reception and **Year Six** will be having their class photo taken on **Friday June 19th**. This is a lovely reminder to look back on and see how much the children have grown over their time with us. The photograph proof will come home with the children, along with purchasing instructions.

Football Day

As the **World Cup** has now started we will be holding a **football themed** day in school on **Thursday June 18th**. We are inviting children to come in **football strips** or other **sports clothing**. Alternatively your child can come to school dressed in **red, white and blue**. We will be completing football activities in class and we will also have a football themed **assembly** on Thursday.

OOSC

Next week (**June 19th**) our OOSC club will have a **football** theme. We will have a **penalty shoot** out and there will be the opportunity to take part in a range of **craft and colouring** activities. The session will run from 3.15-5.30pm. We look forward to seeing you there.

Phonics Screening Check

A huge well done to all of our **Year One** children and staff for the completion of the **Phonics Screening Check**. Children have worked hard all year and have made **superb** progress. I am particularly grateful to **Mr Thompson-Shepherd** for overseeing our phonics curriculum. The **Year One team** have all worked hard to support children with their **phonic knowledge** and, most importantly, it is great to see these skills applied to independent reading. Your child's **Phonics Screening Check results** will be shared with you before the end of the school year. We are proud of every single one of them for their hard work!

Beaconhill Community Primary School

Newsletter - Friday 12th June 2026

Attendance

Very well done to Year One, Year Four and Year Five.

Reception - 92% Year One - 95% Year Two - 93% Year Three - 92%
