

Happy Friday!

I was delighted to receive an email from a parent sharing some lovely news. Lucy in **Nursery** produced this amazing **chalk drawing** of a butterfly for a **competition**. A local author has written a series of books based in **Newbiggin-by-the-Sea** about the **wildlife** that can be found there. As she used the **pavement** as her **canvas**, the work couldn't feature in the book but the author was so impressed that he sent her a signed copy of 'New Beginning Wood'. It is always great to see such **creativity** and artistic flair being recognised - especially for one of our **younger pupils!** On an **arts theme**, we have had a very **musical week** in school which you can read about below. In other news, a big **thank you** to **Miss Sutton, Mr Allison** and **Miss Thompson** who completed their **work experience** in school this week. They all **contributed brilliantly** and did themselves proud. Perhaps one or two of them may pursue a **career** in **education** in the future! We are racing towards the end of the year but still have a lot to cram in. For now, I hope you all have a lovely weekend. Mr Routledge

Miss Ringrose

This weekend, **Miss Ringrose** and her partner **Liam** will be getting **married**. We are all very excited for **Miss Ringrose** and wish her and her family a lifetime of happiness! From **Monday**, **Miss Ringrose** will be known as **Mrs Ridley**. As always, name changes take some getting used to but hopefully we will have cracked it by the start of the new year!

Music Workshops

On **Wednesday**, children across school took part in exciting **music workshops** led by visiting teacher, Dr Renwick. Years 1 to 4 explored the fascinating **links between music and science**, experimenting with **sound, rhythm and vibration**. Meanwhile, **Years 5 and 6** discovered music from around the world. The sessions were **energetic, engaging** and truly enriched our **music curriculum**. A big thank you to Dr Renwick for inspiring our **young musicians** and **Miss Andrews** for **organising** the event. (There's a **pun** in there somewhere!)

Year Six Leavers

A reminder that our **Year Six Leavers Assembly** will take place during the **last week** of the school year on the following dates:

Tuesday 15th July - 09:15

Wednesday 16th July - 14:00

The assemblies should last for approximately an hour. Don't forget to bring **tissues!**

FAST Week

Next week will be **FAST Week**. This is a popular part of our calendar where children across school will experience a range of **exciting sporting activities**. Some of the activities lined up for next week include **Mini Athletics, Little**

Movers, Cheerleading, Football, Cricket, Frisbee, Multi-Skills and, of course, the **Inflatable Assault Course!** Children are invited to wear their **PE kit** each day during the week. A normal school jumper instead of a PE hoodie is absolutely fine. Children should come to school wearing **appropriate footwear** for **physical activities**.

Choir

Today we welcomed **Cramlington Community Choir** back into school for their termly visit. The performance was wonderful and it was the perfect way to end a busy week. As always, members of the choir took their time to pass on their **positive feedback** and were very **complimentary** of our children. I must say, their **Disney Medley** was a **personal highlight!** A big thank you to **Miss Andrews** and **Mrs Cragg** (who are **proud members** of the choir) for bringing the group to **Beaconhill**. We look forward to having them back at **Christmas!**

Assault Course

We're very excited that the **Inflatable Assault Course** will return **next Friday** for our annual summer treat! To ensure all children can join in the fun safely, **Nursery** and **Reception** will enjoy a visit from the exciting **Double Decker Soft Play Bus**. Please send children to school in their **usual PE kit** with **long hair tied back** (no clips) and wearing **long sleeves** and **trousers/tights** to help prevent friction burns. The course will be set up early, so **please keep children off the field at drop-off**. Staff will be stationed throughout the course to support and supervise and all children will receive a full **safety briefing**. We can't wait!

Transition Day

Yesterday, we had our end of year **transition day**. Children spent the morning in their new classes for **September** and met their **new teachers** and **support staff**. There will be class meetings in **September** to provide further information for you all at home which we will share in the **new year**. It was also an **emotional time** for some parents/carers as Year Six had their own transition day at the JLV. I know that they will all settle in **brilliantly** and do us all proud when they move to **Year Seven**.

Sports Day

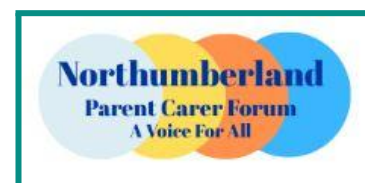

We're looking forward to our **Sports Day(s)** which are taking place in the last week of term. **Key Stage Two** (Years 3-6) will take place on **Monday 14th July** from **13:30 - 15:00**. **Reception** and **Key Stage One** (Years 1 and 2) will take place on **Tuesday 15th July** from 13:30 - 15:00.

Summer Opportunities

Please follow the link below to **Northumberland Parent Carer Forum's SEND** friendly summer holiday guide!

[NPCF SEND Summer Guide](#)

This guide **showcases** some of the fantastic **events** and **activities** that are running specifically for children with SEND and their families in and around **Northumberland** over the coming weeks. There are loads of things going on so hopefully there is something there for everyone.

Attendance

Well done to Years **Three**, **Four** and **Six** for recording **98%+** attendance. It has been another good week for attendance with most classes close to or above our **96% target**. We have two weeks remaining of the school year so keep doing what you can to **support good attendance** and ensuring everyone is in school **on time**.

Reception - 93.79% **Year One** - 94.14% **Year Two** - 94.81% **Year Three** - 98%
Year Four - 98.21% **Year Five** - 95% **Year Six** - 98.18%
