Beaconhill Doodle Maths Wristband Challenge

Thursday 22nd May

Dear Parents/Carers,

We would like to **invite** children in **Reception**, **Year One** and **Year Two** to take part in our 'Doodle Maths Wristband Challenge'.

What do you have to do?

Children need to earn enough stars to be in the Green Zone over the May Half Term holiday and the week after (ending Monday 9th June 2025).

How?

We find that the best approach is to use the app every day in short, sharp bursts! Accessing the app for **5 to 10 minutes** every day is the best way to **earn stars** and to get to (and **remain** in!) the **Green Zone**.

Children should answer questions **independently**. Doodle software is 'smart.' It assesses what children know and what they need to practise to become **stronger**, more **confident** mathematicians.

Today, I visited **Reception**, **Year One** and **Year Two**. I explained the challenge and showed them the wristbands. They are all **very excited** to earn theirs! As ever, we'd like to thank parents/carers for their support.

Happy Doodling! Miss Wilkinson
