

CRAMLINGTON & SEATON VALLEY SCHOOL GAMES

Autumn Term 2022-23

YEAR 4 RUGBY FESTIVALS

In October, Cramlington Learning Village hosted our Y4 Rugby Festivals. Timed to coincide with the Rugby League World Cup, pupils were chosen by their schools to come and take part in fun games and activities based on rugby skills. The day was run by the Year 12 Sports Leadership group from CLV, who had received training and put a lot of work into preparing for the day. Their excellent leadership with the Y4 pupils led to the day being a fantastic success, with lots of running around, trying new things, making new friends and (most importantly) fun!

SANTA DASH 2022

Schools from across Cramlington and Seaton Valley joined thousands of other children across England taking part in this year's National Santa Dash. This event is designed to connect schools across the country in having festive fun while being active.

KS2 SCHOOL SPORT ORGANISING CREWS

During Autumn Term 2, KS2 pupils from first, primary and middle schools attended training sessions to learn about being a School Sport Organising Crew. The group of pupils had been specially chosen by their schools to drive plans for getting their school moving more. They spent time discussing why it's important to be active, what they already do, and planning their next steps in school. They also got active themselves by taking part in skipping activities and leading some playground games. The groups left the sessions buzzing with ideas and they are already making a difference, for example, Seaton Sluice Middle School's Sports Crew helped to organise their Santa Dash.

KS2 MULTISKILLS CHALLENGE

Classes in years 3, 4, 5 and 6 have been working on their agility, balance and coordination in the Northumberland School Games Multiskills challenge. Pupils take part in a range of activities, with every point scored contributing to an average class score. The winning and second placed schools in each year group will represent Cramlington & Seaton Valley in the county Virtual Live Finals which will be held in January.
