Tuesday 30th January

Dear parents/carers,

We are delighted to let you know that we have booked our annual **Year Six** visit to Robinwood for **September** this year. Having visited the centre last week, we were keen to get organised for next year as availability was filling up fast. The visit will take place from **Wednesday 18th September** until **Friday 20th September**. Children will leave school at approximately **09:30** on the **Wednesday morning**, and you will have the opportunity to wave them off. We will then return to school at around **14:30** on the **Friday afternoon**. Further information about the visit will be provided closer to the time. As well as the staff at the centre who support the residential, **four members of school staff** will also be in attendance throughout.

Cost

As a school, we will be heavily **subsidising** the visit to make it more **affordable** for parents/carers. The **cost to you** works out at **£160** per child (the overall cost is just over £350 per child but school is funding the remaining £190). To help to make this manageable, there will be a **payment plan** available within the **SchoolMoney** system if you choose. To spread the cost, you could, for example, choose to pay **£20 per month** over the next **eight months**. Naturally, if you're able to, you may choose to pay off the entire balance in one go. If you have any concerns around the affordability of the visit, please do not hesitate to contact the school office and we will try to help you further.

By going in **September**, we anticipate that the weather will be much warmer than in **January** and the children are more likely to be able to take part in all of available activities. Also, we are keen for the visit to take place at the **start of the school year** so the Year Six staff team will have the chance to really get to know the children and build up a strong relationship with them.

Booking

If you would like your child to attend, please complete the slip below and return to school by no later than **Friday 16th February**.

This is the **third Robinwood residential visit** we have been able to facilitate **since Covid**. We are really excited about it and know how **valuable** these **opportunities** are. As you know, we have very **high expectations** of children and need to be confident that they will

be able to behave **safely** and **appropriately** when they are offsite. If we have any doubts about conduct in the build up to or during the visit, we reserve the right to reconsider your child's place.

Further information for the visit, including an **itinerary** and **equipment list**, will be shared in due course. We will also have a **parent information** session prior to going so you know what to expect and to ask any questions.
