The Beach

At Beaconhill, our aim as a Beach School is to take groups of children across the school to explore local beaches in Northumberland and North Tyneside throughout the seasons. This is an incredibly exciting opportunity which we are sure the children will love!

Beaconhill Beach School will provide cross curricular opportunities:

- To provide children with experiences that encourage an appreciation, awareness and knowledge of the natural environment.
- To learn to respect and care for the local environment.
- To explore, experiment and stay safe.
- To abide by rules and set standards of behaviour, to work cooperatively in groups and to respect each other's ideas.
- To develop children's self-esteem, self-confidence and perseverance through the setting of small achievable tasks.

- To develop children's communication and language through developing questioning skills, reasoning and descriptive vocabulary.
- To develop fine and gross motor skills, co-ordination and dexterity.
