*Friday 13th December*

Dear Parents/Carers,

I am writing to inform you about an important update regarding the pavilion on our school yard. After careful assessment, it has become clear that the pavilion, which has been a part of our school for many years, is now in a poor state of repair due to its age and wear and tear.

As part of the planned redevelopment of the yard in the new year, we have made the decision to take the pavilion down to ensure the safety of all children. In the meantime, Mr. Luke-Green will make every effort to make the structure as safe as possible, but from now on, the pavilion will be out of bounds for all students.

Once the pavilion has been removed, we plan to resurface the area where it currently stands. We are also looking forward to replacing it with a similar structure later in the year, once the redevelopment is complete.

We understand that the pavilion has been a popular space for the children, and we are committed to providing a safe and exciting environment as we continue to improve our school grounds.

Thank you for your continued support.

Mr Routledge
