

Happy Friday!

This week has been another busy one! We all really enjoyed **World Book Day**. The costumes were amazing and the children loved seeing their friends **dressed up**. We also did a '**drop everything and read**' where the children had to stop everything and read a book when they heard the bell being rung in school. We will be back with a book of the week next week.

Have a lovely weekend, Mrs. Robinson.

Sporting Achievements

Jude in Year Four came **first** in a **scooter competition** recently at override skate park in Jarro. There were 19 children in Jude's category with an age range up to 13 years. He won a fantastic **scooter**, which he brought into school to show us in assembly. **Well done Jude**, what a great action shot!

Non- Uniform

Next Friday (13th) will be a non- uniform day in exchange for **chocolate donations**. We use these to make up **Easter hampers** which are then put into a **raffle**. The money that we **raise** from the raffle is put towards enhancing our outdoor learning. As always we are very **grateful** for any contributions you can make.

Adventure Babies

On Monday and Friday, Ashleigh from **Adventure Babies** visited the Nursery and Reception classes. She shared the story '**Sharing a Shell**' by **Julia Donaldson** using a range of **exciting** props and puppets. The children joined in by making seagull sounds and holding their very own squishy anemone balls, before taking part in a **fun** under-the-sea parachute activity. Reception class also enjoyed a special **sensory session**, which included bubbles, sand play, a dark den filled with light-up sea creatures and rock pool play. Everyone had an **amazing** time and showed fantastic **listening** throughout the sessions.

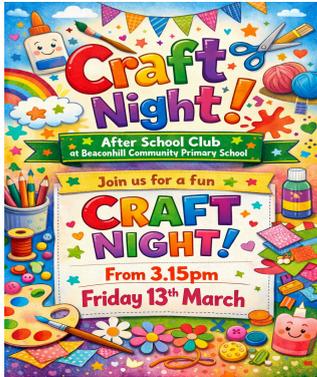

Rockpool School

On Tuesday, Nicola from **Rockpool School** visited Nursery to show the children some of the creatures they might find in a rock pool, linked to their story of the week, '**Sharing a Shell**' by **Julia Donaldson**. She brought along an anemone, some hermit crabs, shore crabs and starfish for the children to see up close and learn more about their **seaside habitats**. The children were very **excited** and all had the opportunity to carefully **hold** the creatures and talked about how

they live in salty seawater. They did a **wonderful job** of being **gentle** and took great **care** when looking after them.

OOSC

This week we recorded a **full attendance** at our **games night** and next Friday (13th) we will be hosting a **craft evening**. Spaces are limited so make sure you book well in advance. We will be offering a range of craft activities including **card making** and **paper flowers**. Booking is made on the Schoolmoney app.

The following Friday (20th) we are looking to organise a **Teddy Bear's picnic** and the last Friday in March (27th) OOSC will be making **Easter Crafts**.

Reading Books

Can we politely remind you that for children in **Years One** to **Six**, reading books should be returned to school every **Monday**. The books will then be changed and sent home on a **Tuesday**.

Attendance

Very well done to **Year One** for recording the highest overall attendance this week with **98.25%**. **Years Two, Three** and **Four** also came in with impressive attendance this week, so a big well done! Attendance across school this week has been impressive with **four classes** recording attendance of **96%+**. Keep up the **fantastic work!**

Reception - 92.67% **Year One** - 98.25% **Year Two** - 97.14% **Year Three** - 97.64%
Year Four - 97.24% **Year Five** - 94.48% **Year Six** - 90.63%

On the Menu Next Week . . .
