Dear Parents/Carers,

Thursday 27th June

On Thursday 4th July, we will have our transition morning. This is an opportunity for children to spend time with their new teachers ahead of September. Children should line up at their normal doors that morning. After registration, children will then move to their new class for the rest of the morning. We have deliberately limited staffing changes to ensure that there is consistency going forward.

As you will know, we have a large staff team which allows us to get the best from our children. Much like this year, we will have an additional teacher in Year Six to allow for a good pupil to adult ratio to prepare them for moving up to High School. Year Six will be split into two groups of equal size for their Maths and English lessons in the morning but then learn as a whole class in the afternoon. You will notice that some staff names appear in two year groups. This is because some staff work in a different class in the afternoon.

Mr Wright, Miss H Gallon and Mrs Birks will continue to release teachers on an afternoon for their planning and preparation time. Mrs Black will be on maternity leave for much of the year but we look forward to welcoming her back before next summer.

Mrs Wharton and Mr Wright will deliver our beach curriculum across school. The majority of visits take place during the morning. They will be based in Year Five when not at the beach.
