## Happy Friday!

Hello everyone. I hope you're looking forward to this **historic weekend**. I very much doubt that anyone reading this will have been around for the last **coronation** in **1953** so it will be an interesting occasion to follow! For those of you having **street parties**, I hope the **weather is kind** (though it would be typically **British** if it tipped it down). The theme of the coronation that the King is promoting is the idea of **charity** and **volunteering**. **Donations** which came in from the **non-uniform day** will go towards the **food bank** which I am sure you'll agree is a worthy cause. Whatever you're up to this weekend, whether you're following the coronation or not, I hope you all **enjoy the bank holiday** and I look forward to seeing children **back in school on Tuesday**. Thanks, Mr Routledge

## SATs

I hope that all of our **Year Six** children remember to have a **peaceful, calm** and **relaxing** weekend. We have talked extensively about the importance of children doing the best they possibly can next week. Children have worked really hard this term so deserve the **extra bank holiday!** For the next week in particular, please make sure that children sleep well and come to school ready to give it their all. Whatever happens, we are all **incredibly proud** and know that they've made **superb progress** this year. We're all looking forward to our special **SATs breakfast** (thanks **Miss Luke** and **Mrs Walton**) and treats that are lined up for the remainder of the summer term. See you all on Tuesday!

## Out of School Club

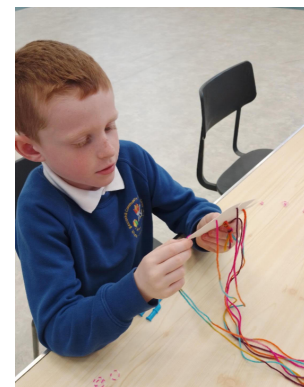

At Fun Club this week, children have been making **Union Jack loom bands** and **friendship bracelets**. They also completed some **Royal family** colouring sheets and discussed the **coronation**. They made the most of the **lovely weather** and played **football** and **basketball** outside. Fun club continues to get busier and busier which is great to see. For more information, please follow the links below.

**Email:** [beaconhillloosc@trinityyouth.org.uk](mailto:beaconhillloosc@trinityyouth.org.uk)

**Breakfast Club** 07:45 - 08:45 is **£3.00** per pupil

**After School Club** 3:15 - 4:15 is **£4.00** per pupil is 3:15 - 5:15 = **£7.00** per pupil

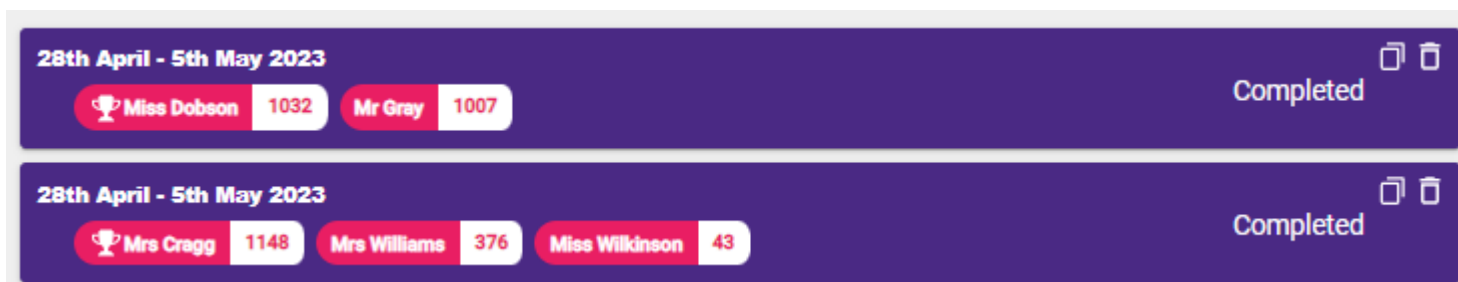

## Cricket Opportunity

Gill Smith, our colleague from the **School Sports Partnership**, has shared a **cricket opportunity** which is running this summer at **Cramlington Cricket Club**. With the **Ashes series** taking place in England this summer (and the **Cricket World Cup** in the **Autumn**) now is a great opportunity for children to get into cricket. If you're interested, have a look at the links below. You can also get in touch with school directly to potentially access **discount codes** for the clubs.

## TTRS

Very well done to everyone who has taken part in the **Battle of the Bands** this week. The **winners** are **Year 3** and **Year 6** who will receive a 'chocolatey' prize! **Miss Dobson's** class recorded an average of **1032** correct answers this week whilst **Mrs Cragg's crew** answered nearly **1150** correct answers each!

The **individual winners** are:

**1st:** Daniel, David, Noah, Sean-James, Kacey

**2nd:** Emilia, Logan, Ollie, Alexander, Padi

**3rd:** Mia, Joseph, Lyra, Dominic, Emma

I hope you caught the **video** that I shared on **Facebook** on **Thursday morning** which showcases the incredible progress that our **Year 4** children have made with their quick recall of **multiplication facts**. If you haven't, it's well worth a look!

## Red, White and Blue Day

Children will be coming home from school today with a **commemorative bookmark** (very helpfully sourced by **Mrs Wilson!**) to mark the coronation of **King Charles III**. This week I delivered an assembly related to the **coronation** and talked about some of the things to look out for on television for those who choose to watch tomorrow. The children carried out a range of coronation themed activities in the classroom and performed their coronation song in assembly which was particularly catchy!

## Summer Weather

As we move into the **summer** and the **weather continues to improve**, can you please ensure that children come to school well **prepared for the heat**. On warm sunny days, please apply **sun cream** before school and always send your child in with a **water bottle**. You may also choose to send your child into school wearing a **baseball cap**.

## Walk to School Week

Advanced warning that we will be taking part in **Walk to School Week** which will take place from **Monday 15th to Friday 19th May**. The theme this year is '**Walk with Wildlife**'. This year's challenge encourages children to **travel actively to school** every day of the week. Meeting various animals along the way, they'll learn about the important reasons to walk and the difference it can make for **individuals**, **communities** and the **planet!** If you live too far to walk the whole distance, you could drive to the outer part of

the estate and then walk the rest of the way.

## Attendance

Well done to our **Reception class** who have recorded **100% attendance** for the week commencing **Monday 24th April**. I am thrilled that every child was able to attend **every session for the full week**.

Well done also to: **Year One** - 97.5% **Year Three** - 98.06% **Year Four** - 96.3%
